VI. REVIEW PROCESS

- Applications will be distributed to the Awards Committee, all nominees' names will be removed and replaced with a numeric identifier to allow questionnaires to be anonymous when calculating points.
- There will be a minimum of three finalists selected in each category based on the written materials submitted. Once identified, the Awards Committee will interview each finalist and determine the winner in each category.

- The final review by the Awards Committee members will consist of an interview in person, or by conference call at nominee's option. This interview will be based on review of the nominee's previously submitted application. This committee will then determine the person most deserving of the honor.
- The winners in each category will be known only to the Executive Liaison, the Associations President and CEO, and shall be kept confidential.
- All finalists will be notified by the President (or designated staff member) of the Association no later than December 15th, and personally invited to attend the Installation Dinner in January for recognition. The winners and finalists will be announced that evening.
